The yearbook staff
dedicates this work
to the dreamer in all
of us.

We are
the music-
makers,
And we are
the dreamers of
dreams,
Wandering by lone sea-
breakers,
And sitting by desolate streams;
World-losers and world-
forsakers,
ON whom the pale moon gleams;
Yet we are the movers and
shakers
Of the world for ever, it
seems.

With wonderful deathless
ditties
We build up the world's great
cities,
And out of a fabulous story
We fashion an empire's glory;
One man with a dream, at
pleasure,
Shall go forth and conquer a
crown;
And three with a new song's
measure
Can trample an empire down.

We, in the ages lying
In the buried past of
the earth,
Built Nineveh without sighing,
And Babel itself with our
mirth;
And o'erthrew them with
prophesying
To the old of the new world's
worth;
For each age is a dream that
is dying,
And one that is coming to
birth.

— Arthur O'Shaughnessy

Hold fast to
dreams
For if dreams die,
Life is a broken
winged bird
That cannot fly.

Hold fast to dreams
For when dreams go,
Life is a barren field
Frozen with snow.

- Langston Hughes

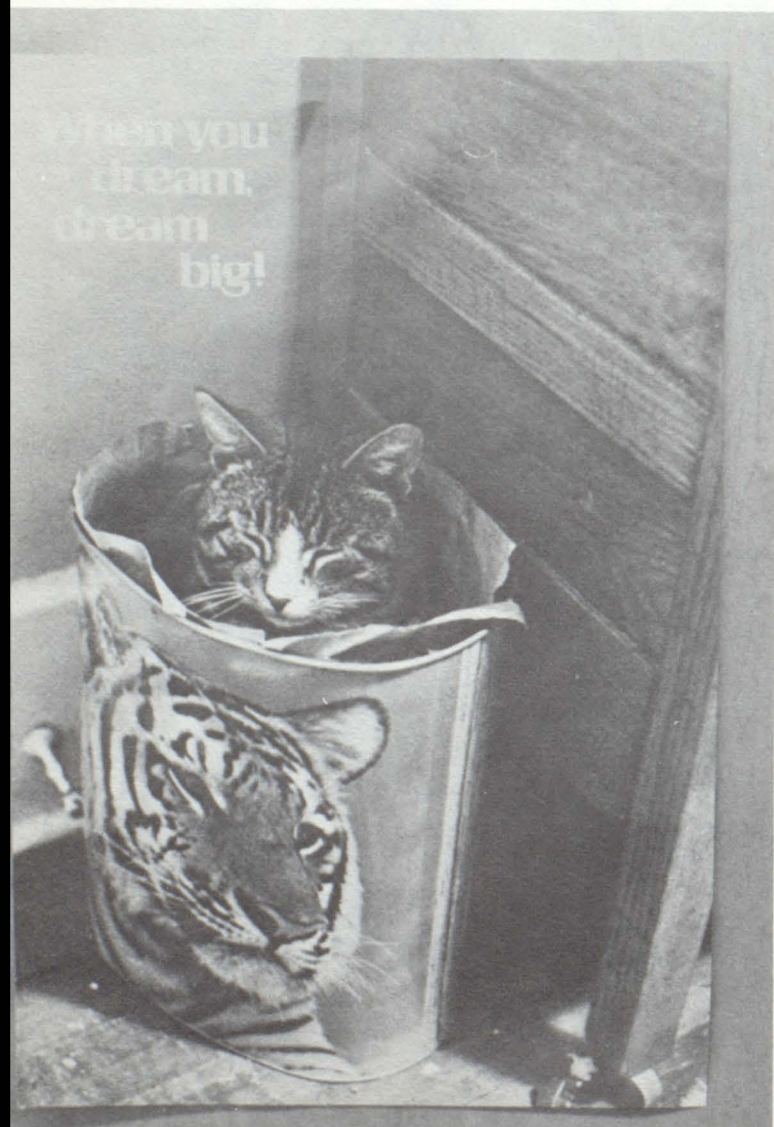

To accomplish great things, we must not only act, but also dream, not only plan, but also believe.

Pour accomplir de grandes choses, il faut non seulement que nous agissions, mais aussi que nous rêvions, non seulement que nous projetions mais aussi que nous croyions.

Para llevar a cabo cosas de importancia, es menester no solamente que actuemos sino también que soñemos, no solamente que proyectemos, sino también que creamos.

Um grosse Dinge zu schaffen, muss man nicht nur handeln, sondern auch träumen, nicht nur planen sondern auch glauben.

Per fare grandi cose, non bisogna solo agire, ma anche sognare, solo fare piani, ma anche credere.

When you dream, dream big!

En revant, revez grandement.

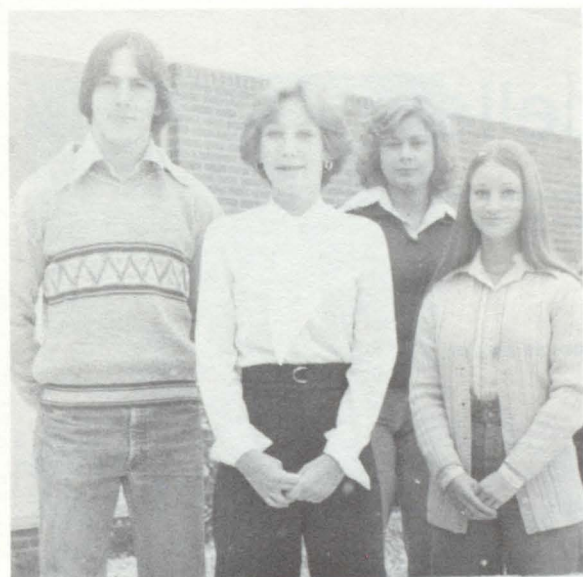

Al sonar, ten un sueño grande

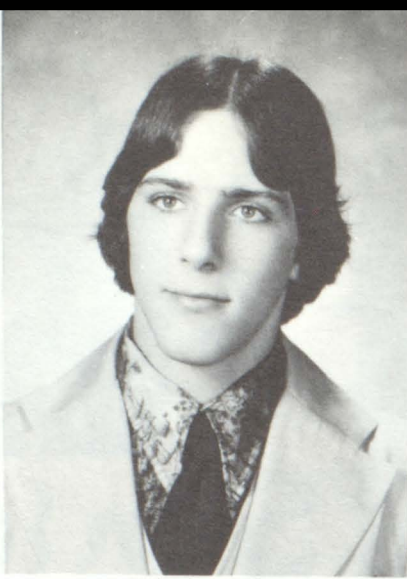

Wenn du traumst, traume gross.

Quando sognate, fate die grandi sogni.

DO YOU KNOW WHERE YOU'RE GOING TO?

Do you know where you're going to?
 Do you like the things that life is
 showing you?
 Where are you going to?
 Do you know?
 Do you get what you're hoping for?
 When you look behind you there's no
 open doors?
 What are you hoping for?
 Do you know?

Once we were standing still in time
 Chasing the fantasies that filled our
 minds.
 And you knew how I loved, but my
 spirit was free, laughing at the
 questions that you once asked of
 me.

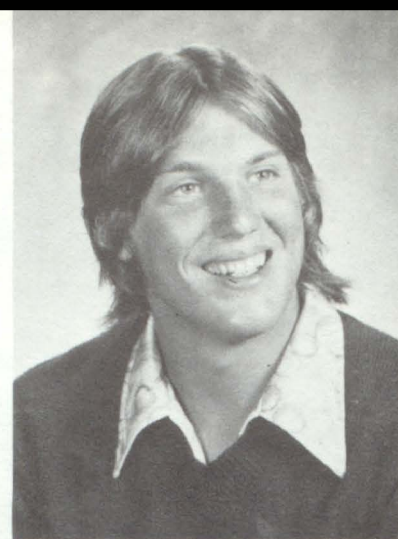

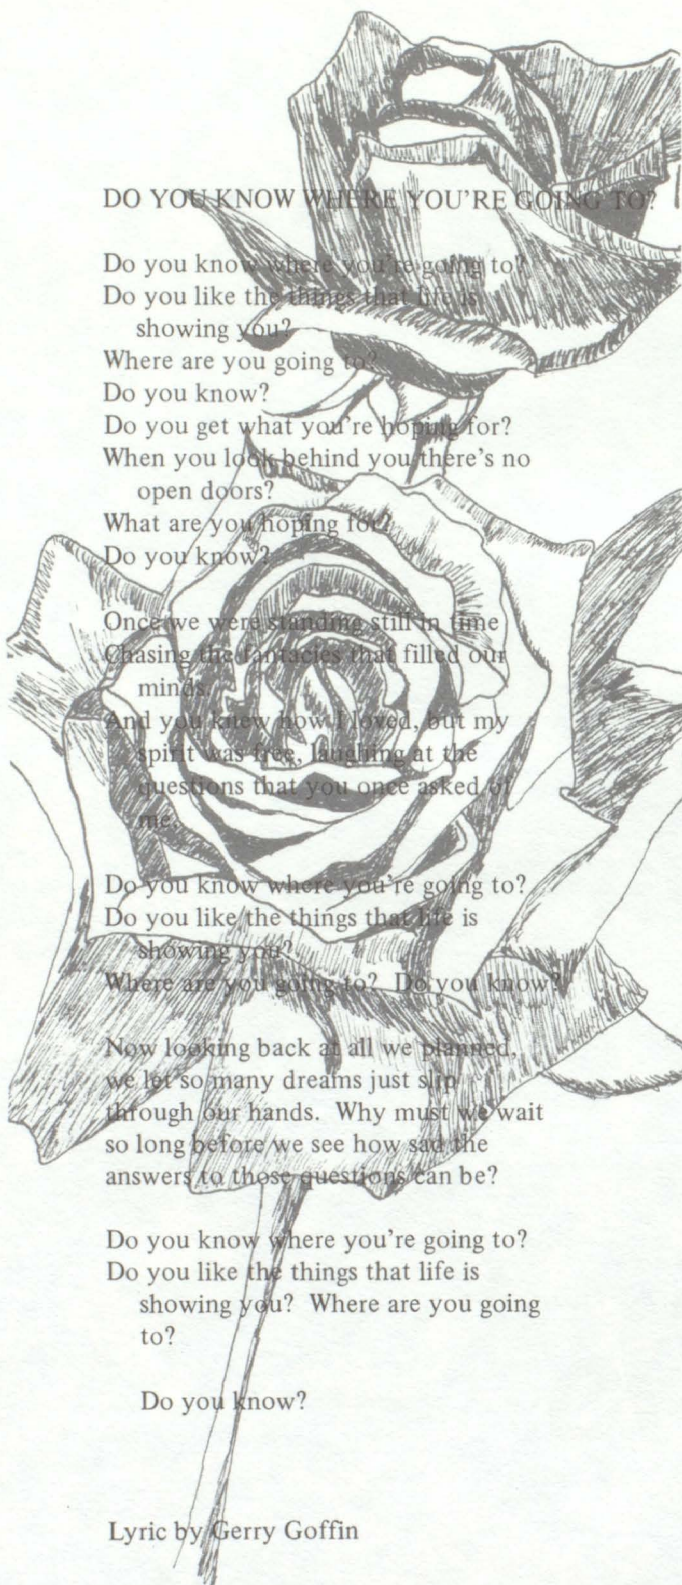

Do you know where you're going to?
 Do you like the things that life is
 showing you?
 Where are you going to? Do you know?

Now looking back at all we planned,
 we let so many dreams just slip
 through our hands. Why must we wait
 so long before we see how sad the
 answers to those questions can be?

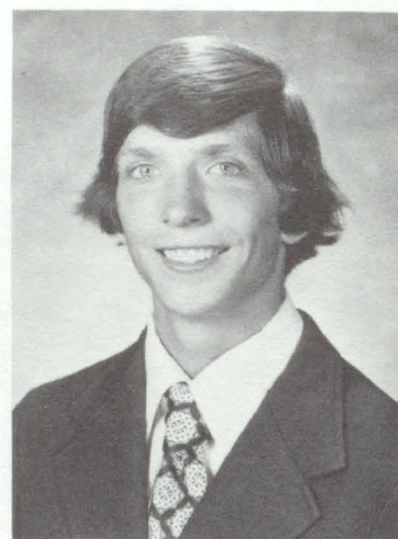

Do you know where you're going to?
 Do you like the things that life is
 showing you? Where are you going
 to?

Do you know?

Motto—
"Let us become more, then we are . . .
All that we long to be . . . Everything
we are capable of being . . . And then
let us long to exceed what we have
become."

I, Pamela Harrell, will to anybody who will take it.

I, Dan Hebel, will my position on the Senior Homecoming Court to some lucky up-coming senior.

I, Tim Mentz, will my favoritism that I never received from Mr. Helinski to all the unfortunate Seniors of the next years basketball team.

I, Megan Morgan, being of sound mind and body, will to my sister Laurie the Kansas City Bomber, so that she will always be as well known as I am. (Ha, Ha)

I, Peggy Moses, will to all the students of Memphis High, the perfect peace that I have found through Jesus Christ my Lord and my Savior.

I, Penny Nygaard, will my ability to survive my high school years to Bill Romatz and Mike Connely in hopes that they will enjoy it more than I did.

I, Laura Phillips, will to all the Christians in Memphis High to reach out and share the real Love of Jesus Christ to all those who don't know Him as their personal Savior.

I, Diane Russell, will 2 bottles of shoe polish to Cheryl Porter.

I, Joni Rzeszut, will to Susie Babel my ability to smoke and not get caught in the john and lunchroom kitchen.

I, Deatta Shafrański and I, Cindy Cameron, will to Mrs. Patterson the ability to overcome depression, withdrawal, neurotic behavior and all the other "big" words we learned in Psychology to help her make it through 6th hour foods class.

I, Fran Spens, being a perfect angle at all times, will to "redneck" Pam Seifert my turtle-neck shirt so she won't have to run so many sets on practice.

I, Tina Torello, will my brains and sense of humor to all the teachers at Memphis who are in desperate need of both.

I, Brenda Walters, will my ability to drink to Connie Dalecki.

I, Glen Weber, being of sound body and mind (maybe), will to Scott McCormick everything he deserves . . . nothing.

I, Linda Wessel, will to my sister Joyce and all my cousins, the determination to succeed in all they do and to be proud of the Wessel name.

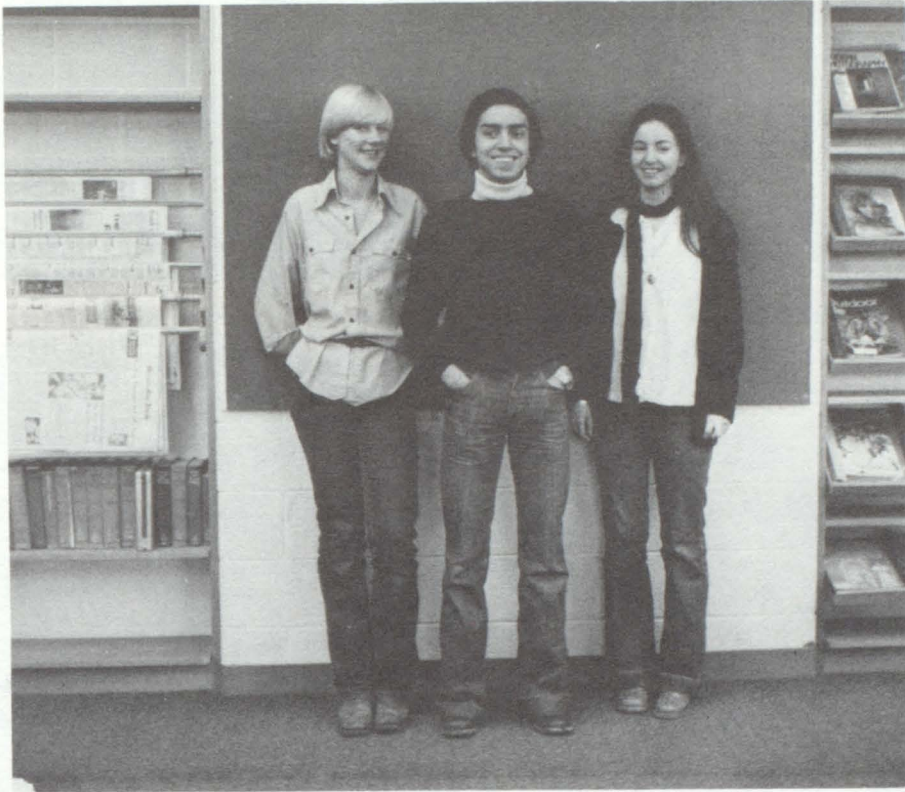

I, Richard Wilson, will to Matt Dolan my "hacking" ability in basketball.

I, Cheryl Wiltse, will to my sister Kim, the ability to keep her cool around Debbie Ludwig.

Flag Girls?

Debate

We wouldn't have had a debate team if it weren't for the hard work and the enthusiasm of Phillis LeTarte and Penny Moran. The girls spent many hours training new debaters only to lose them for various reasons. Despite discouraging set-backs, Penny and Phillis were able to retain their original optimism.

Even though our league record was not the best we all learned a lot through our debate program. We ended up with a 3-21 record in a new league we entered as a "learning experience." The Middle Macomb League, made up of A and B schools, taught us a lot about technique. Phillis LeTarte took high speaker trophy for our school in this league. Through the struggles we encountered we still did a fine job and have high hopes for next season.

A very special thanks to Alice Melat and Sharon Groth who made a last minute rescue. With only five hours notice they became members of the Debate Team so that we were able to honor our commitment at the District Debates.

We, the Varsity Cheerleaders feel that we have accomplished quite a bit. To start the year off we attended Waldin Woods USCA cheerleading camp. In the competition we placed two, 3rd place ribbon. On top of this, we also attended the Kingstons 3rd annual competition. In this we placed 2nd overall in class D. On our squad this year we have no seniors, for this reason we feel that next year we will be able to better ourselves to be number 1.

This years edition of the yellowjacket football team was a very fine group to be associated with. We were rated in at least one state poll for a period of time. Next year's prospects appear bright since we are losing just three seniors from this year's team. It will take an awful lot of hard work by every team member to achieve our 1977 goals, but with their determination greater accomplishments are just on the horizon.

Coach Clement:
The 1976 J. V. Football season found 19 freshman and 5 sophomores participating. Although our record showed our inexperience, I feel optimistic for the '77' season, for our returning people will provide a good basis for a strong and successful team.

Coach Ken Helinski:

This past season we have made progress in rebuilding The basketball program. Our team put in many long hours during the summer. If we can continue to work hard and be patient we will reach and surpass that fine line that separates the good basketball program from the very good winning program. Patience and hard work are the keys to turn our program around.

Rick Burg

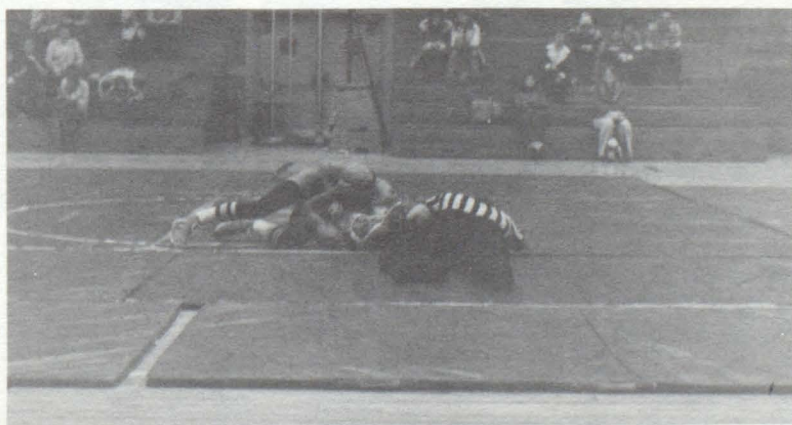

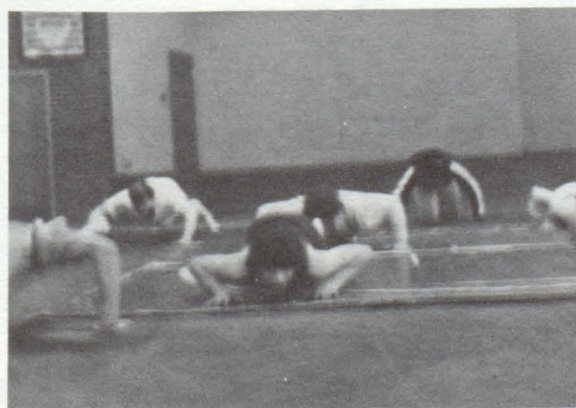

Rick had a very successful season. His 21-6 season record was the second best in Memphis wrestling history. Rick earned various awards and medals this year, among them Most Valuable Wrestler at the Lutheran North Tournament, and League Champ in at 138 lbs. Tournament before losing his final match 12-10.

For his achievements and leadership. Rick is the 1976-77 Most Valuable Wrestler.

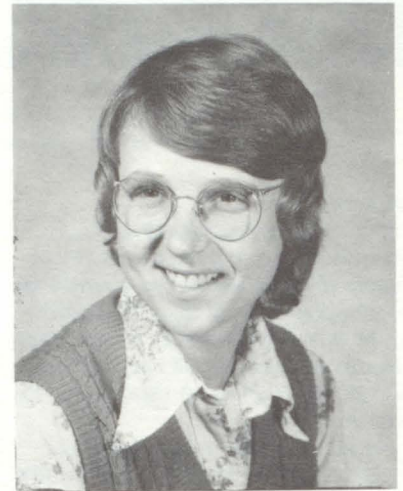

Ed Burg

Sophomore Ed Burg came close to accomplishing a feat ever athletic strives for, an undefeated season. Even though he fell a hair short, Ed still had the best wrestling year in history. He won 26 straight matches. In every one of his victories he pinned his opponent, many in under 30 seconds. He was the gold metal winner in every tournament, he was this year's until losing his last match at the Regional Tournament 2-1. A fantastic year for Ed as a Sophomore.

Coach John Bacholsky:

The 1975 track and field team displayed a lot of enthusiasm and a desire to improve. This was evident at the tail end of the schedule when we were able to outpoint 4 teams after a very dismal start. Hopefully, the improvement will carry over into the '76' season with the return of all but one of last years letter winners. The graduation of Don Blake, last years Most Valuable Player, will place a heavy burden on the upcoming field events men. The prospects in the middle-distance and long-distance runners will hopefully compensate for Blakes absence.

We believe that the Middle School Program should be a unique program adapted to the needs of the pre and early adolescent student, offering the widest possible range of intellectual, social and physical experiences.
